

BOAO FORUM FOR ASIA

May 11, 2006
Beijing, China

To: Polyglot Translations

Letter of Appreciation

Boao Forum for Asia Annual Conference 2006 (BFA AC 2006) held on 21-23 April in Boao, Hainan, China, has been successfully ended. About 1300 senior government officials, business leaders, famous academia as well as representatives from press from 39 countries/regions attended this important event under the theme of *“New Opportunities of Asia – Driving Growth to the Next Level”*. These days, I have received letters and phone calls from many friends and delegates congratulating me on the improvement of the Annual Conference. As the Secretary-General of BFA, I have felt proud of that.

As the simultaneous interpretation equipment and services provider, Polyglot Translations contributed a very important part to this success. Your high quality professional services were really impressive and I myself was very satisfied with the work of your staff. I would like to express my sincere thanks for your great professional services. It is BFA's hope that BFA will continue to have your support and services in the future.

With my best regards,

With my best regards,

Y. T. Long
Secretary-General
Boao Forum for Asia
