Helping Business since 1861

Dear Mr Wong

Joint Business Community Conference 2003
"BUSINESS AFTER SARS"

I am writing to express our sincere gratitude for Polyglot Translations' generosity in sponsoring the simultaneous interpretation equipment at the "Business After SARS" Conference on 7 June 2003, which was jointly organized by the four local chambers in cooperation with the Operation UNITE, as well as 22 international business organisations in Hong Kong.

The conference was successfully held, attracting over 450 attendees from the business community and universities. With support from a substantial number of local and international media organisations, it received significant coverage both locally, and overseas.

You may wish to know that we have received many compliments on the quality of the program. Participants were all impressed by the line-up of reputable speakers. All in all, it reflected credit on the sponsors and demonstrated to the world our pledge of confidence in Hong Kong despite the many challenges ahead.

The conference would not have been so successful without your generous support and sponsorship. For your record, the conference folder is enclosed for your retention.

Thanks again for your support!

Yours sincerely,

Eden Woon
CEO
