Dear Richard

"Hong Kong - Meeting Your Choice", 14-19 March 2004

On behalf of the Hong Kong Tourism Board, I would like to thank Polyglot for sponsoring the simultaneous translation for the Opening Ceremony of the "Hong Kong - Meeting Your Choice" familiarization visit for international association executives.

The familiarization visit has been a great success with 27 good quality delegates participating in the programme. The overall programme has provided opportunities to visit and fully experience not only the business side of Hong Kong, but also the cultural, historical and social aspects.

The feedback from our delegates has been very positive and they are most impressed with the overall professionalism, variety and quality of the meetings industry in Hong Kong. The Hong Kong Tourism Board will continue to follow up with the delegates and turn these potential leads into business for Hong Kong.

We hope you agree that "Hong Kong - Meeting Your Choice" has been a wonderful opportunity to showcase Hong Kong and to reinforce our leading position in the industry. We look forward to working with you on similar promotion opportunities in the near future.

Please pass on our special thanks to Ms Jo Lam for her assistance during the planning of the event.

Once again, thank you for your continuous support.

Yours sincerely
